DISCLAIMER

Adjustments can vary across strategies depending on each strategy's objectives. What's illustrated above most closely reflects allocation adjustments for the Growth Strategy. Diversification does not guarantee investment returns and does not eliminate the risk of loss. Diversification among investment options and asset classes may help to reduce overall volatility.

For informational purposes only. Not a recommendation of any particular security or strategy. This is a proposed target allocation and investment strategy. Final allocation of the portfolio may differ from the targets listed above.

Blueprint Investment Partners is an investment adviser registered under the Investment Advisers Act of 1940. Registration as an investment adviser does not imply any level of skill or training. The oral and written communications of an adviser provide you with information about which you determine to hire or retain an adviser.
